## Monitoring Information

We recognise the benefits of having a diverse workforce and therefore welcome applications from all sections of the community. In addition to this, under the provisions of the Equality Act 2010, we are required to demonstrate that recruitment processes are fair and that they are not discriminating against or disadvantaging anyone because of their age, disability, gender reassignment status, marriage or civil partnership status, pregnancy or maternity, race, religion or belief, sex or sexual orientation. Therefore a series of questions need to be raised in order to ascertain who is applying for each position and to ensure that no one is being unfairly discriminated against or disadvantaged.

This section of the application form will be detached from your application and will not be used as part of the selection process nor will it be seen by anybody who is interviewing you. The information collected is only used for monitoring purposes in an anonymised format to assist the organisation in analysing the profile and make up of individuals who apply, are shortlisted for and appointed to each vacancy, therefore complying with the Equality Act 2010.
